

Making money on the internet just getting easier!

With Wikiglobal Affiliate Program, you can start earning extra income or even make it your primary income source! People just like you are earning thousands of dollars a month from spending very little time a day on the internet, giving them more time for their family.

You don't need to be a programmer and you won't need to do any technical support or keep track of anyone you referred to us. All you will need to do is simply **post and promote your Wikiglobal Affiliate URL link**

via email / Online Blogs / Facebook / Forums / Twitter / linked in / etc. We'll even provide you with advertisement tools, back office for commission tracking, etc...

How it works

As Affiliates, you just need to **post and promote your Wikiglobal Affiliate URL link!** and if you receive comments or questions on the product or support, just refer those to us and we will give our fullest support to the customers.

You earn commission on the sales made using your unique Wikiglobal Affiliate URL. Also, when you introduce others into our Affiliate Program, you may earn additional income from their sales. We are using a Two Tier Affiliate program system.

As a Wikiglobal Affiliate you are able to access various features in your affiliate back office:

- Check Sales Commission
- Access Promotional Tools
- Sales Support from our team
- More...

Things to consider, why join Wikiglobal Affiliate Program

Commission plan structure

You will earn R200 on all your direct referrals (downlines) on any of our products.
And earn R150 on all 2nd level downlines (referrals by your direct referrals) on any of our products.

Note: there's no limit to your direct referral width. But your downlines can only be 2 levels deep

Your direct referrals may also claim a 5% discount on their purchase by entering your discount coupon code in "coupon code" text box when completing Order.

Your accumulated bonuses will be credited to your account and wired to your provided banking account every 15th of the month.
