## GET THE WIKI DUAL SIM PHONE

The image displays three identical promotional banners stacked vertically. Each banner features the WIKI logo on the left, which consists of a stylized sunburst icon and the word 'WIKI' in a bold, sans-serif font. Below the logo, the text 'Mobile World' is written in a smaller font. To the right of the logo, the offer is detailed: '1 x post-paid SIM card' and '+ 1 x pre-paid SIM card' are listed in a standard font, followed by 'in 1 Dual SIM CELLPHONE' in a larger, bold, red font. The background of each banner is a photograph of a person using a mobile phone: a man in a suit for the top banner, a woman with glasses for the middle banner, and a man in a suit for the bottom banner.
